The Parish AGM is fast approaching and although we have not posted the actual date due to the accountants time scheduling we must begin to prepare. We find ourselves in a positive position this year because we only have to fill a few offices. If you think you would like to serve your Parish as being a positive contributor in this very active team please call Father Michael with your intentions. The AGM is a time for Church renewal and optimism toward the future. Is there room for improvement? Certainly. The best people we can get come forward and we do the best we can.

We will not be taking nominations off the floor as there is ample time for candidates to step forward and share their intentions and to allow the parish to think and pray about the best choice for the present time in our parish. We ask all those whom wish to fill an open spot to please contact Committee Chair John or Father Michael by March 6, 2016, after this date no more names will be added to the slate of positions opened. Let us all pray for a productive and successful 2016 AGM!
