**Exciting news for one of our YOUTH!!!** Aleksandra Manzhura has been accepted to teach English to the under privileged children in Ukraine the Odessa Region for the month of June. This is a very considerable opportunity to give back to her native Country...Ukraine! Although the experience will be that of a life time it is on a voluntary basis. Therefore if anyone is interested in sponsoring Aleks on her journey this summer please do so, it is a very worthy cause. With the gift of English the Children of Ukraine have a better chance of obtaining further education which results in employment! You may make donations at the parish office. Thank You
